### Full-time Tutor in Business Administration

We are seeking a highly skilled and experienced individual to join our team as a Tutor in Business Administration. The successful candidate will be responsible for teaching students in business administration and other related fields.

#### **Key Responsibilities:**

- Provide academic and professional leadership to the Department of Business Management as its head.
- Develop curriculum, modules, and various other advanced learning opportunities, such as short courses, that are aligned with the NACTVET standards and regulations under the supervision of the Deputy Principal-ARC.
- Teach modules (up to NTA Level 6) in Business Administration and other related areas, with strict adherence to NACTVET teaching standards.
- Prepare and deliver high-quality, student-centered instruction using modern teaching methods and practical examples.
- Provide academic and professional guidance to students on module assignments, fieldwork, and project development.
- Encourage critical thinking and practical skill development among students in business administration and other related areas.
- Provide mentorship to students for their spiritual, intellectual, emotional, and character formation.
- Engage in continuous professional development, research, and knowledge-sharing in business administration and other related areas.
- Perform any other duties assigned by the supervisor or college administration as appropriate to the role.

#### **Qualifications:**

- A bachelor's degree or higher in business administration (specialization in accounting, finance, or marketing preferred) or other related field (GPA 3.5 or above).
- A valid teacher training license or a Competence-Based Education and Training (CBET) certificate, if available.
- Two or more years of teaching experience in a NACTVET-recognized academic institution will be an added advantage.
- Field experience in business administration and other related fields.
